**USER AGREEMENT FOR BULK DISTRIBUTION OF DATA OR COMPILED
INFORMATION NOT EXCLUDED FROM PUBLIC ACCESS UNDER
ADMINISTRATIVE RULE 9**

The Indiana Supreme Court through its Division of State Court Administration ("Division") and Thomson West _____ ("Requesting Party") hereby enter into this User Agreement for Bulk Distribution of Data or Compiled Information ("Agreement") for the purpose of establishing roles and responsibilities associated with the dissemination and use of Indiana court information pursuant to the provisions of Administrative Rule 9 of the Indiana Rules of Court ("Rule 9").

Recitals

- A. Pursuant to Rule 9(F)(2), the Division is responsible for approving all requests for bulk distribution of Data or Compiled Information by Indiana Courts.
- B. The Division reviews each request for bulk distribution to insure that the request is consistent with the purposes of Rule 9 and that each request is an appropriate use of public resources.
- C. The Requesting Party seeks bulk distribution of Data or Compiled Information for its own use and understands that it must comply with the provisions of this Agreement.
- D. The Division requires that the Requesting Party understand and agree to comply with certain restrictions on usage of the Data and Compiled Information.
- E. The Requesting Party is not automatically entitled to the distribution of Data or Compiled Information of a county simply by the approval of this user agreement by the Division.
- F. The Requesting Party will be required to pay reasonable costs incurred by the Division or by the responding Court/Clerk in responding to the request for bulk distribution.
- G. The bulk distribution is limited to court records, even if the Requesting Party is seeking other information that is governed by other agencies' policies.

Agreement

1. **Definitions.** For the purpose of this Agreement, the following definitions shall apply:
 - A. "Administrative Record" means any document, information, data, or other item created, collected, received, or maintained by a Court, Court agency, or Clerk of

Execution of this Agreement and approval of the Requesting Party's request by the Division do not create any mandatory obligation on the part of any county or Court to provide Court Records to the requesting Party. Pursuant to Administrative Rule 9(F), the counties or Courts identified below must determine on an individual basis whether resources are available to transfer the Court Records to the Requesting Party and whether fulfilling the request is an appropriate use of public resources. Counties and Courts must determine on an individual basis whether to assess a reasonable charge and the amount of that charge for providing the Court Records to the Requesting Party.

A. **Court Records sought:** Compiled information for civil cases resolved by trial in the Circuit and Superior Court for all counties. We request an initial list covering cases resolved in the previous 12 months and then monthly or quarterly updates thereafter. Those rights may not be transferred, assigned, or sold for any purpose to any person, corporation, partnership, association, or organization of any kind. The Requesting Party shall provide the Division with the names of all entities related in any way to the Requesting Party, including subsidiaries and affiliates, the names under which the Requesting Party is doing business and any other related entity names. The Requesting Party shall supplement this agreement within thirty (30) days of a change in the list of names provided to the Division as requested by this Section 3.
4. **Ongoing Data Scrubbing and Update Requirements.** The Requesting Party shall comply fully with Rule 9 and shall delete any Social Security Number, bank account number and any other confidential information that is inadvertently included in the Court Records and take other appropriate action to ensure that such confidential information is not disclosed to others. Upon notice, the Requesting Party shall comply with future orders to scrub data if they should arise.
5. **Restrictions on Use of Data.**

- B. **Resale of Data.** Except as set forth in Section 6, the Requesting Party shall not reproduce, resell or otherwise distribute the Court Records or Data provided pursuant to this Agreement except in response to an inquiry from an individual for a Court Record or compilations or reports incidental to such individual Case Record as part of a service provided by Requesting Party. The Requesting Party shall not reconfigure the Court Records for subsequent bulk distributions.
- C. **Policies for dissemination of Data.** The Requesting Party shall not disseminate Court Records to the public through remote electronic access such as the Internet or other electronic method unless the County Clerk first obtains approval from the Division under Trial Rule 77(K). In the event the Requesting Party plans to offer a service allowing others to review the Court Records and disseminate information in the Court Records to subscribers, customers, clients, or other third parties, a current copy of the Requesting Party's policies and information related to the dissemination shall be attached hereto as an Exhibit B. The Requesting Party is under an ongoing obligation to provide the Division with a copy of any updated Policy information within thirty (30) days of its modification.
6. **Bulk Transfer to Third Parties.** If the Requesting Party has submitted a request to transfer bulk Data or Compiled Information to third parties as part of the Request attached hereto as Exhibit C and such request has been approved by the Division as part of the Approval Letter attached hereto as Exhibit D, then the Requesting Party may transfer the bulk Data and Compiled Information it is authorized to receive under this Agreement to such third party subject to the terms of this Agreement. The Requesting Party shall supplement its Request in Exhibit C with a copy of any Agreement entered into with the third party subject to the execution of this Agreement. The Requesting Party may not transfer bulk Data or Compiled Information to any third party who has not signed a User Agreement with the Division. The Requesting Party may not charge the third party any more than the amount for time and material set forth in Exhibit C.
7. **Reporting Requirement.** Within thirty (30) days after the Requesting Party has received the first or only distribution of Court Records, the Requesting Party shall file with the Division of State Court Administration the Distribution Receipt Form, attached hereto as Exhibit E (Form TCM-AR9(F)-3).
8. **Disclosure Requirements.** The Requesting Party shall provide a disclosure statement similar to the one set forth below to each subscriber, customer, client or other third party who is provided access to the Court Records at the time any information from the Court Records is made available to them. 9. **Audits.** The Division may, at its discretion, perform audits to verify compliance with the terms and conditions of this Agreement and the appropriate use of the Court Records. The Requesting Party shall cooperate with the Division in such audit.
 - A. The Requesting Party agrees that the Division may include “control” or “salted” data as a portion of the Court Records as a means to ensure that any personally identifiable information is not used for commercial solicitation purposes or in an indiscriminate and reckless manner.
 - B. The Requesting Party agrees to provide the Division with access, at no charge, to any database created using the Court Records for the purpose of monitoring and auditing contract compliance.
 - C. The Requesting Party agrees to provide the Division with copies of the materials and information the Requesting Party provides its subscribers, customers, clients, or other third parties.

The Division, Courts, and Clerks of Court shall not be liable to the Requesting Party or any other party for any loss, including revenue, profits, time, goodwill, computer time, destruction of data, damages or any other indirect, special or consequential damage which may rise from the use, operation, distribution, transfer or modification of the Court Records or Data.

12. **Indemnification.** The Requesting Party shall defend, indemnify, and hold harmless the Division, Courts, and Clerks of Court, their respective employees and agents, and the State of Indiana from and against all claims, demands, suits, actions, judgments, damages, loss or risk of loss (including expenses, costs, and attorney fees) of any and every kind and by whomever and whenever alleged or asserted arising out of or related to any use, distribution or transfer made of the Court Records or Data by the Requesting Party or any of its subscribers, customers, clients or third parties.

Ms. Giant,

Thank you for the quick response. We're also enjoying summer-like weather. I know it can't last, but I'll take while I can.

My colleague, Kerry Mellum, or I will let you know when we receive the reports. Kerry recently joined my team and is working on our Indiana Jury Verdict product. If you don't mind, he will most likely contact you in the future to request these reports. Please let me know if this is okay.

Take care, and enjoy the late summer while it lasts.

Mr. Gallagher,

Yes, the summer really zoomed by this year; however, we are still enjoying "summer" temperatures in Fort Wayne...highs in the upper 80s for the rest of the week. The farmers are busy harvesting their crops, and there is no sign of rain until next Tuesday. Almost too good to be true!?!

Your reports are going out in today's mail. Please send me an Email if you have any questions after they arrive in your neck of the woods.

Subject: Request for List of Civil Cases Resolved by Trial

Dear Ms. Hall,

I am writing to request an updated list of civil cases resolved by trial (jury or bench) from July 1, 2007, to present. Attached is the most recent list we received, which was prepared by Vanita Anderson. The Indiana Division of State Court Administration has approved our request to obtain this type of data from the Indiana trial courts. A copy of the approval letter and agreement is attached.

We use this list as a research tool to help us identify the civil cases resolved by trial in Marion County. Once we know which cases were resolved by trial, we review the individual court files and prepare stories of those cases we believe our customers will find the most interesting and useful. The stories are then published in West's Jury Verdicts Indiana Reports. Attached is a copy of the May 2006 issue for your review.

Thank you very much for your help with this request. Please let me know if you have any questions or need additional information.
